

Manitobans As We See 'Em, 1908 and 1909

Newspaper Cartoonists Association of Manitoba, 1910

Introduction

In 1910, the Newspaper Cartoonists' Association of Manitoba published a collection of caricatures of prominent Manitoba citizens. The drawings were not presented in any apparent order, and the pages of the slim book were not numbered. The following is a list of men (there were no women subjects) whose likenesses were included in the book.

Although the book title implies it is part of a series, there do not appear to be volumes published in other years. Officers of the Association, listed on the title page, were E. A. Blouw (President), George M. Hall (Vice-President), John Cairns (Treasurer), Hay Stead and Donald McRitchie (Cartoonists), and W. E. Allison (Business Manager). Two following pages of small caricatures were of men with the surnames (no initials) Spence, McRitchie, Stead, Linne, Blow, Cairns, Hall, and Allison.

This list was compiled by Gordon Goldsborough. Copies are available, in Adobe Acrobat format, at no charge on the web site of the Manitoba Historical Society at:
